# Emerging Projects Day in One Health

**Wednesday September 27, 2017: 2pm to 5:30pm**

Institut Pasteur - Centre François Jacob (28-01-01A)  
28, rue du Dr Roux - 75015 Paris

This co-initiative between **Institut Pasteur** and the **Syndicat de l'Industrie du Médicament et des Réactifs Vétérinaires (SIMV)** aims at exchanging information on 3 major topics (Diagnostics, Antibioresistance and Vaccines) and at seeding/promoting the emergence of collaborations **in the veterinary/animal health sector.**

Registration\* is free but mandatory to attend the conference.
