

Sanofi Innovation Awards Europe 2021

Pre-proposal template

Principal Investigator

LAST NAME

First Name

Laboratory/Department

Institution (Choose amongst)

If co-leader First Name LAST NAME / Institution

Project Title

Email address of the Principal Investigator

Therapeutic Area(s): Please tick the box(es) for the appropriate Therapeutic Area(s) that the proposal addresses

☐ Molecular Oncology

☐ Genomic Medicine

☐ Rare Diseases

☐ Immunology & Inflammation

☐ Neurological Disorders

☐ Vaccines

☐ Immuno-oncology

Please limit your pre-proposal to the length of each frame and the maximum number of words. Only the pre-proposals that will respect the guidelines and the provided template will be evaluated.

Please rename your pre-proposal as follows: Institution_2021_Sanofi_iAwards_Europe_pre-proposal_LAST NAME_First name

Section 1 (<500 words) Need and Significance:

Please provide a brief description of the research proposal and link to human disease and disease mechanism(s).

Please specifically address the following in the description. 1. What is/are the unmet medical need(s) this research could address? 2. What are the envisioned products/applications of this research? 3. Why is the proposed research novel and translational in nature? 4. How is the envisioned product/application better than existing therapies? 5. How the envisioned project feasible within one year?

Section 2 (<500 words): Research Plan

Provide a brief description of the research plan to be carried out. Please include objectives, specific aims. The research plan should provide clear deliverables, go/no-go decision points and timelines for a one year research period.

BIOGRAPHICAL SKETCH OF PRINCIPAL INVESTIGATOR

Please provide a brief bio-sketch of the PI and key publications

Annex : References (please note that only bibliographic references will be considered in this section).
